Regardless how the years have flown.

Half send on the years have now that send; I calre no fond, endesing tends; I calre no friends; band; I think my nother's smile to meet, I list my bather's call.

I pursue to hear my brother's fort transe benefits through the held.

But othere all around me reigns,

a child occups through the plant.

Notesia of home Universements,

And texas unbodden start.

And hears untolabors there,
What though the antibeaus fall as fair,
What though the bonding flowers
will also their fragmatic on the air
Washin the spoides hours.
The being must that climitered here
These walls may not restore.
Voices that allied my grotteful are
Whit great my would in more.
And yet I sunt the dang old place
With those and languaging resul,
As when we kiss a clay-cold face
And loave it with the dead.

which oats are certain wild, wayward, lawless sinful actions, in the life of the young man. A general recklessness characterizes sowing wild oats. Profamity, the samplest security for the faithful performance to virtuous conduct is called sowing wild oats. Intimacy with fast company, law hound oats. Intimacy with fast company, law hound only nonorable things, an only some called sowing wild oats. An honorable man will do only honorable things; an honest things; a good man, nosed things, an office the life of the has fixed their duties and testing to their official obligations, having slamming recome, a definant indifference to virtuous conduct is called sowing wild oats. Intimacy with fast company, law hound an earlier of them; These offices when at home enjoys mental repose, is the has prescribed the highest qualifications in them; she has fixed their duties and testing to them the supposition to the Honeskeeper.

An Execution in Persia.

The Honsekeeper.

An Execution in Persia.

The grir parents were rich. The young man marander, which recently took place at Teheran, is described by the Armenian journal Ment as being very "brilliant." This journal says: "Early in the morning a large crowd lilled the parade ground and shoot twelves o'clock the condemned man was led out in great pomp to the sound of troupets. Upon a large platform in the middle of the square was placed a cannon with its murging the profession of the square was placed a cannon with its murging the profession of the parade ground and shoot twelves o'clock the condemned man was led out in great pomp to the sound of troupets. Upon a large platform in the middle of the square was placed a cannon with its murging learning the parade platform in the middle of the parade ground and shoot twelves o' who sows with onts. Wild outs must be known that the State's portion is generally ploaton followed instantaneously, and the ing for years to see you." But they did baryested, and the terrible fact meets us remitted, or a large part thereof. Sup-body of Dialel Agha, blown into a thousand pieces, was hirled into the air. Of all over the sowing of wild outs. And those wealth's Attorneys get their thirty per his hones only one rib was found whole. Ing the bill.—[Little Rock (inzette. who do reform have suffered irreparable cent, and the Clerks thirty per cent, this hone only one rio was found whore the bill.—Little Bock Gazette.

and this was given up to his wiver, who ing the bill.—Little Bock Gazette.

and this was given up to his wiver, who had been present at the execution. In a chool health is a fortime. See how men be remitted or coffected. By this plan, short time this will be looked upon as a largest rock in the known world is the complete of th each to recover it when lost, traversing what is now in a great measure lost to the treasury could be utilized, and the Clerks and cool mountains, drawing on medical actions and impoverishing all pharmacy. Profigury of health is enormous folly-likely the medical treasury could be utilized, and the Clerks and impoverishing all pharmacy. Profigury of health is enormous folly-likely treasury could be utilized. By this plan, short time the sacred relia."

**Reasury could be utilized, and the Clerks ago of drift connections of the Legislature ask his Clerk how much revenue boarded the paid his fare to the sacred relia." though it be sought with tears. But all will be surprised to learn its meagerness. sins labeled "wild outs" are vandale that The sternest advocate of retrenchment and destroy public health; they are grave digreform will not object to this plan as it
gars. Wild outs are the only crop that does not cost the treasury a dollar. is grown up by gas light.

During the past season we have had many marriages where the groom was not of age, and was earning, perhaps, only sight or ten dollars a week. He had no capital laid up when he entered the state matrimonial, and of course depended on his mere begatelle salary, never dreaming of diswhacks in the shape of sickness, etc. This is eminently wrong. There should he a law requiring a young man to state he he recourt his shilly to care for and support a wife, before be matrice here. The fact of the matter is that this business of and javors in the trial of cases in order that the position to influence and control judges and position to influence and control judges and the state has been done but two or three times before court his shilly to care for and support a wife, before he matries here. The fact of the matter is that this business of that they might profit by it. With equal matrix is that the conversation at that point. fact of the matter is that this business of mere boys getting warried should be stopped. Many and many a time, after stopped. Many and many a time, after marriage, they have to work to support the commonwealth. Yet no one charges them with impure motives, no their situation, one charges them with impure motives, no matter how seathing their prosecution may matter how seathing their prosecution may be married to the papers are reverely criticisms, or articulating superficial sentimentalities and philosophical or psycological matter how seathing their prosecution may be married that they might profit by it. With equal at that point.
